

QUALITY POLICY

PROQUINAT's main objective is to provide our customers with products that meet their requirements and fully satisfy their expectations, as well as **to comply with the applicable legal and regulatory requirements**. Our customers' satisfaction is our satisfaction

The objective of this Policy is to consolidate this reality, continuously **improving performance** and reinforcing the confidence of our customers.

By implementing a Quality Management System, according to the **UNE-EN ISO 9001:2015** standard, **PROQUINAT** aims to promote **the participation** of all its employees, making them aware of the importance of their activities and how they contribute to the development of the quality objectives.

In accordance with this Policy we establish Quality Objectives at all levels, monitoring the degree of compliance so that we can measure our improvement.

Our **main objectives** are:

- To increase the quality of the products and services provided.
- To increase the satisfaction of our customers
- To achieve an optimum service from our suppliers

PROQUINAT's management periodically reviews the quality management system to ensure its suitability, adequacy and continuous effectiveness. In this review, **opportunities for improvement of the system and processes** are evaluated, and the need for changes in the quality system, including the Policy and Objectives, are detected.

Consistent with the responsibility assumed, the Management **provides the necessary resources**, both technical and human, **for the fulfilment of this Policy**.
